Morning break & C2C Challenge

Everyone has been integrated into a team that will be the same for the morning challenge and the afternoon activity => see details here https://bit.ly/3bt3h5u (1 tab per localization)

In the morning, we will take a 45 minutes break. **During this break**, each team will have time to make a photo which reproduces a scene from a known film as it has been done for the paintings below.

The concept and if you need inspiration ;-) : https://mymodernmet.com/recreate-art-history-challenge/

Each team is allowed a maximum of 5 accessories (including clothes) that they can use for the photo (please coordinate before the staff meeting).

When the photo is done, you will send it to <u>staffmeeting@camptocamp.com</u> before we go back to the meeting rooms.
